

John Brown

Years as a Local 9 Member: 32 years

Years Teaching at Local 9 Training Center: 25 years

Related Training/Education: Associate of Science in Electronic Technology from DeVry Institute of Technology.

Teaching Philosophy: I think it is important to use a hands-on approach, it allows for demonstrating an understanding and applying concepts.

What you like most about teaching: Sharing my experience with others.

What else the student would want to know about you: IMSA Level 3 Signal Technician delegate to Chicago Federation of Labor for Local 9 member of the IMSA TAC.
